CURRENT VENTURES & PROJECTS

CPORT AGENCY | Founder & Digital Marketing Director | 2020 - Present

- International digital growth consultancy serving clients across 8+ countries through SEO, Google Ads, WordPress, lead generation, analytics, conversion optimisation and AI-assisted workflows.

NUVORA | Coding Education Platform - In Development

- Developing an interactive coding platform for children using real HTML, CSS and JavaScript, with gamified learning worlds, creative projects, AI-assisted guidance and Three.js experimentation.
- Nuvora is currently under active development and should be presented as a developing product rather than a completed or fully launched platform.

PROFESSIONAL EXPERIENCE

CPORT AGENCY | Vancouver, Canada (Remote)

Founder & Digital Marketing Director • Dec 2020 - Present

- Founded and lead a digital marketing agency serving clients across 8+ countries, with core services in SEO, Local SEO, Google Ads, WordPress development and lead generation.
- Own digital strategy, business development, client acquisition, account leadership, commercial planning and delivery quality across international engagements.
- Increased client lead generation by up to 45% through SEO, paid advertising, conversion optimisation and improved online customer journeys.
- Advise businesses on digital transformation, workflow automation, e-commerce optimisation and AI-assisted marketing strategies.

AMERICAN NATIONAL COLLEGE (ANC) | Colombo, Sri Lanka

Marketing Manager • May 2018 - Sep 2020

- Developed marketing and sales plans aligned with enrolment goals, branch targets and institutional growth priorities.
- Improved the city branch online presence by 30% within six months and led team training, mentoring, events and performance planning.

BLUE MOUNTAIN PROPERTIES - ACHILLEION | Colombo, Sri Lanka

Sales Manager • Jun 2016 - Feb 2018

- Managed a luxury property sales team, secured the project first pre-sales unit and sold 14 apartments.
- Developed market-penetration, lead-generation and prospect-conversion plans.

PAUL'S WAREHOUSE (BOI COMPANY) | Australia / Sri Lanka

Operations Manager • Aug 2013 - May 2016

- Managed online sales support, inventory, warehousing, staffing, customer fulfilment and international freight coordination.

- Negotiated logistics pricing and improved operational approaches supporting service quality and profitability.

EARLIER LEADERSHIP ROLES | Sri Lanka, Saudi Arabia and UAE

Sales, Branch, Retail & Customer Operations • Mar 2004 - May 2013

- Progressed through management and customer-facing roles at Tradesmann, Australian Migration Centre, Cargills Food City, Geant Hypermarket and Spinneys.
- Built practical experience in sales leadership, branch operations, customer acquisition, team management and international retail.

CAREER HIGHLIGHTS

- Built an international digital marketing agency serving clients in 8+ countries.
- Generated lead growth of up to 45% through SEO, Google Ads and conversion optimisation.
- Improved ANC city branch online presence by 30% within six months.
- Sold 14 apartments at Blue Mountain Properties, including the project first pre-sales unit.
- Currently developing Nuvora as a practical education technology project.
